HOUSTON ISD · FAMILY AND COMMUNITY ENGAGEMENT

PTO/PTA Dashboard · Quick guide for C1 coordinators

Open the dashboard link FACE sent you and bookmark it. You review the documents for your own campuses, and email the PTO/PTA when something is missing.

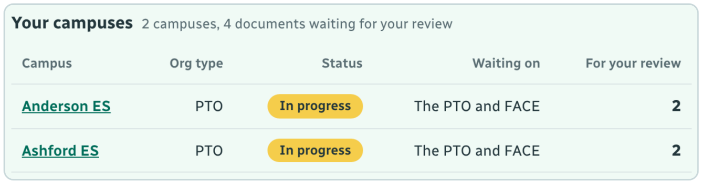

1 Sign in

Click **Sign in** at the top right, pick your name and type your passcode. Your name then shows at the top and a **Review** tab appears (the number is what waits for you). Lost your passcode? Ask FACE. On a shared computer, click **Sign out** when you finish.

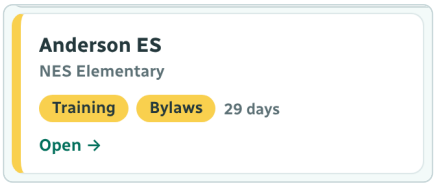

2 See your campuses

Open **My campus**. **Your campuses** lists each of your campuses with its status, who it is waiting on, and how many documents wait for your review. Click a campus name to see its card.

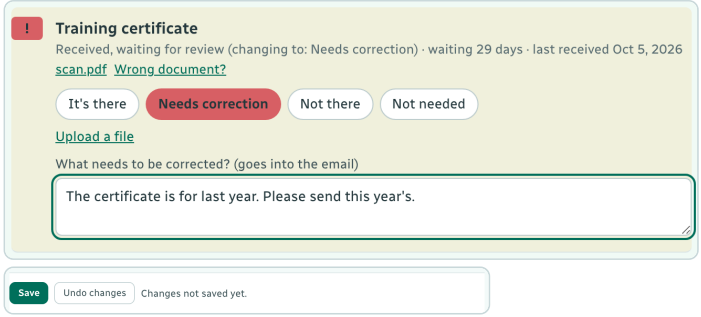

3 Open what is waiting

Open **Review**. Each of your campuses with documents waiting has a card, with the documents and how many days they have waited. Click **Open →**. The campus opens across the whole screen; **← Back** returns you.

4 Check off each document

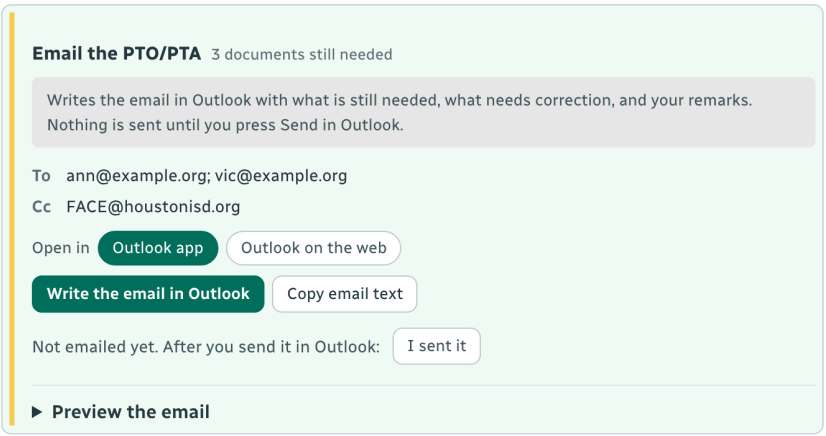

Click the file name to open it, then choose **It's there**, **Needs correction** (say what; it goes into the email), **Not there** or **Not needed**. Then press **Save**: nothing is saved until you do. Have the right file yourself? **Upload a file**. Filed under the wrong document? **Wrong document?**

5 Email the PTO/PTA

On the campus, **Email the PTO/PTA** writes the email for you: what is still needed, what needs correction, and your remarks. It goes to the president and the secretary, with FACE@houstonisd.org copied.

Click **Write the email in Outlook**, read it and press **Send** in Outlook (it goes from your own email). Then, on the dashboard, click **I sent it** so everyone can see the campus was emailed.

Good to know

✅ Accepted 🕒 Waiting for your review ❗ Sent back to fix ➖ Not received

The **officer form** counts as soon as it comes in: nobody reviews it.

Each weekday at 8 AM you get a **reminder email** if anything is waiting for you.

Registered: training certificate, bylaws and officer form done. **Eligible to Fundraise**: all six done.

For a **PTA**, the bylaws, budget, 501(c) and bank boxes come from the weekly Texas PTA report.

A red **Flagged** campus is paused while FACE reviews it. Questions: **FACE@houstonisd.org**.
