HOUSTON ISD · FAMILY AND COMMUNITY ENGAGEMENT

PTO/PTA Dashboard · Quick guide for principals, APs and Area Offices

Open the dashboard link with your Houston ISD Google account. There is no sign-in and no passcode. Everything is view only, so nothing can be changed by accident.

1 Overview: the district at a glance

Registered: training certificate, bylaws and officer form done. **Eligible to Fundraise**: meets 501(c) district requirements (all six documents). **In progress**: turning documents in. **No PTO/PTA**. **Flagged Organizations**: paused while FACE reviews. Click a tile to list those campuses. Choose your office in **Area Office** at the top to see only its numbers.

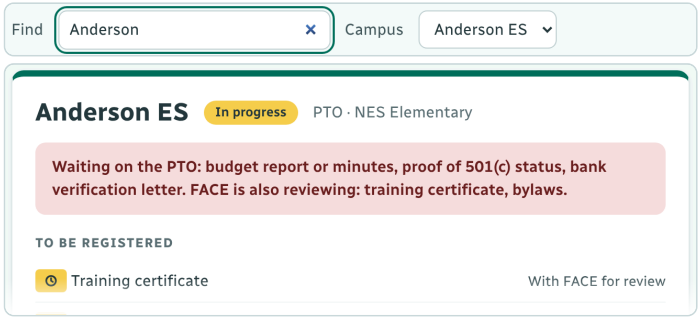

2 Area Offices (SEDs and EDs)

Under the tiles, **By Area Office** shows each office's campuses and how many are registered, eligible to fundraise or in progress. Click your Area Office to list its campuses. FACE can also send you a link that opens straight on your office.

Area Office ▲	Campuses	Registered	Eligible to Fundraise	In progress	No PTO/PTA
NES Elementary	95	0	0	4	0
NES Secondary	39	0	0	0	0
EAS Elementary	77	0	0	6	0
EAS Secondary	35	0	0	3	0
1882	5	0	0	0	0

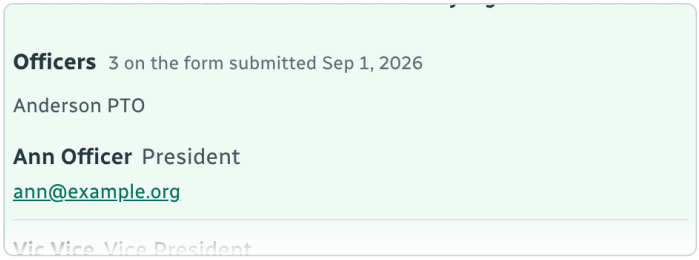

3 My campus (principals and APs)

Open **My campus** and type part of your campus name in **Find**. The card shows what is done, what is still needed, and whether the next step is with your PTO/PTA or with FACE.

4 Officers and documents

At the bottom of the card, click **See officers and documents**: each officer's name, position, email and phone, and the documents the PTO/PTA has sent, with links to open them. **← Back** returns you.

5 Find a list of campuses

Open **Campuses**. Search for a campus, or click a filter such as **Registered**, **Eligible to Fundraise**, **PTAs** or **Nothing received yet**. Click a campus to open it.

Each row shows the six documents: ✓ accepted, ◷ with FACE for review, ! sent back to fix, – not received yet.

Good to know

Something wrong or out of date? Contact your campus's C1 coordinator (named on the card) or email **FACE@houstonisd.org**.

Flagged: the organization's operations are paused while FACE reviews. The card says why and whom to contact.

Nothing received yet: your PTO/PTA has not turned anything in. Encourage it to send its documents.

A file asks for access? Ask FACE to share the Parent Org Documents folder with you.
